LOCAL CHURCH STANDS UP FOR THE BIBLICAL FAMILY

In Response to the Drag Queen Story Hour at the VB Public Library

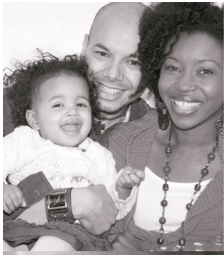

Virginia Beach, VA: The Potter's House Christian Church on 1064 Lynnhaven Parkway will affirm the traditional family in the Joint-Use Public Library on the same day that a drag queen is reading to toddlers. The "Celebration of the Biblical Family" is happening in the same place, and the same day as the Drag Queen Story Hour, but at a different hour due to the availability of library facilities. The event takes place September 29th from 1:00 PM to 2:00 PM, with enough space for 50 attendees.

Upon learning about the event, the church's pastor, Adam Dragoon said, "I couldn't believe what I was reading. How is it possible that our local public library is giving a platform to a nightclub exhibitionist to read to toddlers? This goes against so much of what we believe in." When complaints to library staff about the event fell on deaf ears, The Potter's House began planning an event to respond to the gender-dysphoric worldview that the Drag Queen Story Hour represents.

The Celebration of the Biblical Family event will feature:

- Selected passages about marriage and family directly from the Bible.
- Guest speakers that will illuminate the wisdom, beauty and grandeur of God's design for gender, marriage, and family.
- Real-Life stories of gender confusion and homosexuality.
- A presentation of a positive, encouraging and enlightening message to a world that is lost in much confusion
